Dear Director Koenings:

Thank you for your agency's help with the U.S. Sportsmen's Alliance Foundation's Trailblazer Adventure Day. The Boy Scout Council's members truly had a great time and learned a great deal in the process.

Over 1,095 participants took advantage of the daylong event. Your personnel's help and efforts gave these children a great experience and taught them a great deal about hunting, fishing and trapping.

Enclosed are a few pictures from the Trailblazer Adventure Day depicting some of the activities and enthusiasm the children experienced while learning about our outdoor heritage. The sportsmen's community will be stronger because of the education the children received at Trailblazer Adventure Day.

Thank you,
Tony although
